Subject index

A

Abdominal decompression during first stage of labor (Quinn and McKeown), 458

Abnormalities of sex chromosome constitution in newborn babies (Maclean, Harnden, and Court Brown), 1117 (Abst.)

Abortifacient, aminopterin as, evaluation (Goetsch), 1474

potassium permanganate as (Cabaniss and Clark), 13

Abortion, 9-17

- incomplete, management (Levin, Rizzi, and Veprovsky), 9
- septic, with shock (Stevenson and Yang), 1229
- spontaneous, probability in subsequent pregnancies (Warburton and Fraser), 1654 (Abst.)
- problem of (Tupper and Weil), 421

Abstracts, 274, 555, 831, 1116, 1395, 1652

Accidental trauma complicating pregnancy and delivery (Dyer and Barclay), 907

Acidosis, diabetic, blood ammonia in rats with (Kennan), 515

- pregnancy and, metabolic influences on bone electrolytes (de Alvarez, Afonso, and Birkeland), 764

Adaptation, fetal, to uterine environment (Reynolds), 800

Adenoacanthoma, bilateral, of ovary in endometriosis (Cannon, Veprovsky, and Garrow), 180

Adenocarcinoma of cervix (Abell and Gosling), 729

(Waddell, Decker, and Welch), 1184

Adenoid cystic carcinoma of Bartholin gland and pregnancy (Murphy, Wilson, and Bickel), 612

Adenomyosis, elusive, of uterus (Emge), 1541

Adnexa and uterus, primary osteogenic sarcoma, pathogenesis (Amromin and Gildenhorn), 1574

Adrenal carcinoma (Parks and Sites), 436

- cortical function, absence, in pregnancy (Allemang), 831 (Abst.)
- estrogens (Chang and Dao), 556 (Abst.)
- hyperplasia, congenital, during and after pregnancy, urinary hormone studies in (Louis et al.), 556 (Abst.)

Adrenalectomy during pregnancy (Litowsky and Ford), 756

Adrenogenital syndrome (Parks and Sites), 436

Amenorrhea, effect of single injection of human pituitary follicle-stimulating hormone on urinary estrogens and vaginal smear in (Johannisson, Genzell, and Diczfalusy), 835 (Abst.)

American Association of Obstetricians and Gynecologists, foundation prize, 280 (Item)

- transactions of seventy-second annual meeting, 841, 981

American Board of Obstetrics and Gynecology, 280, 420, 700, 980, 1400, 1540 (Item)

American Cancer Society, scientific session, 1120 (Item)

American College of Obstetricians and Gynecologists, meeting, 420 (Item)

American Society for the Study of Sterility, awards, 560 (Item)

Aminopterin as abortifacient, evaluation (Goetsch), 1474

Ammonia, blood, in rats with diabetic acidosis (Kennan), 515

Amniotic fluid, biochemical composition of, in late toxemia of pregnancy, features peculiar to (Sozansky), 558 (Abst.)

- maternal serum and, enzymes in (Lapan and Friedman), 1337
- studies in Rh-sensitized women (Beecham et al.), 1053

Analgesia in obstetrics, 18-36

- and anesthesia at Boston Lying-in Hospital (White and Reid), 417 (Re-evaluation)

Anatomy, gynecologic, atlas (Martius and Droysen), 553 (B. rev.)

Androgen and estrogen, influence on growth of transplantable human endometrial carcinoma (Cherry and Tovell), 1294

Anemia, hereditary hypochromic microcytic, in obstetrics and gynecology (Pritchard), 1193

- iron deficiency, treatment with ferrous fumarate (Berk and Novitch), 203
- maternal prenatal, premature birth and (Klein), 588
- megaloblastic, during pregnancy and puerperium (Pritchard), 1004

Anesthesia, analgesia and, at Boston Lying-in Hospital (White and Reid), 417 (Re-evaluation)

- introduction to, principles of safe practice (Dripps, Eckenoff, and Vandam), 1113 (B. rev.)
- and surgery, rauwolfia drugs during, problems caused by (Smessaert and Hicks), 1397 (Abst.)

Angioneurotic edema, massive, fatal postpartum shock due to (Luke and Rubenstein), 322

Anomaly, congenital, multiple, associated with extra autosome (Crawford), 1116 (Abst.)

Antibodies, thyroid, during pregnancy and in newborn (Parker and Beierwaltes), 557 (Abst.)

Anti-Jk^b in erythroblastosis (Kanner), 1253

Antispasmodic drug (Efosin), new, effect on first stage of labor (Kishore and Agarwal), 786

Anxiety, hypnotically induced, effect, on uterine muscle (Kelly), 582

Aortography, intravenous, localization of placenta with (Coale, Richey, and McGanity), 1150

Aqueous benzathine penicillin G in treatment of syphilis in pregnant women (Jackson et al.), 1389

Arrhenoblastoma of ovary (Foster), 87

- scleropolycystic ovary with (Betson, Marshall, and Chiffelle), 93

Arterial hemorrhage, fatal, abnormal umbilical cord with (Hogg and Friesen), 1251

Asherman syndrome (Topkins), 1599

Asphyxia in fetus, development during labor, phonocardiographic changes in (Chervakova), 557 (Abst.)

Assessment of fibrinogen deficiencies in pregnancy (Moore et al.), 1036

Athrocytosis in rats (Vokaer and Leroy), 141

Atlas of gynecologic anatomy (Martius and Droysen), 553 (B. rev.)

Atrial fibrillation and pregnancy (Szekely and Snaith), 1652 (Abst.)

Autosome, extra, multiple congenital anomaly associated with (Crawford), 1116 (Abst.)

January 1, pp. 1-140; January 15, pp. 141-280; February 1, pp. 281-420; February 15, pp. 421-560; March 1, pp. 561-700; March 15, pp. 701-840; April 1, pp. 841-980; April 15, pp. 981-1120; May 1, pp. 1121-1260; May 15, pp. 1261-1400; June 1, pp. 1401-1540; June 15, pp. 1541-1680.

B

- Babies, newborn, abnormalities of sex chromosome constitution in (Maclean, Harnden, and Court Brown), 1117 (Abst.)
- Bacterial synergistic symbiotic gangrene, progressive (Gretz, Marchbanks, and Houle), 54
- Bartholin gland, carcinoma, adenoid cystic, and pregnancy (Murphy, Wilson and Bickel), 612
- Basal cell carcinoma of vulva (Solomons), 832 (Abst.)
- Benzathine penicillin G, aqueous, in treatment of syphilis in pregnant women (Jackson et al.), 1389
- Beta-lipoproteins in pre- and postmenopausal female (Heiskell et al.), 279 (Abst.)
- Bilateral adenoacanthoma of ovary in endometriosis (Concannon, Veprovsky, and Garrow), 180
- pheochromocytoma, pregnancy complicated by, fatal outcome (Grunstein and Finkelstein), 508
- Bilharziasis, 710-714

 - adenoid cystic carcinoma of Bartholin gland and (Murphy, Wilson, and Bickel), 612
 - adrenalectomy during (Litowsky and Ford), 756
 - atrial fibrillation and (Szekely and Snaith), 1652 (Abst.)
 - calcium and phosphorus dynamics in (Kerr et al.), 2
 - carcinoma in situ in (Ayre and Scott), 278 (Abst.)
 - (Osband and Jones), 599
 - cardiac disease in (Mendelson), 837 (Correspondence)
 - (reply) (Chesley), 839 (Correspondence)
 - following chemically treated choriocarcinoma (Freedman, Magagnini, and Glass), 1637
 - chyluria and (Sall), 521
 - circumstances of delivery in, correlation of fetal wastage and condition of offspring with maternal state during gestation (Dekaban), 532, 544
 - complicated by bilateral pheochromocytoma with fatal outcome (Grunstein and Finkelstein), 508

Pregnancy, complicated—Cont'd

- by diabetes (Paton), 1526
- by dysgerminoma (Kawahara), 1531
- by ovarian tumors (Chowdhury), 615
- by trauma, accidental (Dyer and Barclay), 907
- complications, 1516-1533
 - (Stone et al.), 1342
 - medical, 252-271; 508-525
- and delivery, accidental trauma complicating (Dyer and Barclay), 907
 - effects on offspring, 526-550
- dysgerminoma complicating (Kawahara), 1531
- early, influence of oophorectomy on steroid excretion in (Diczfalusy and Borell), 835 (Abst.)
- effects, on iodine metabolism in primate (Adowling et al.), 556 (Abst.)
- and fertility in diabetic patient, 194-202
- fibrinogen deficiencies in, assessment (Moore et al.), 1036
- glutamic oxalacetic transaminase and lactic dehydrogenase in (Stone et al.), 1342
- granulosa cell tumors of ovary and (Brock), 109
- hematologic disorders in, 203-224
- inactivation of vasopressin during (Roth and Slater), 1325
- isocitric dehydrogenase in (Little and Kirpalani), 1346
- in juveniles (Bochner), 269
- labor, delivery, and, condition of infant, effect of weight reduction in obese pregnant women (Jacobson et al.), 1609
 - uterine physiology in, 1073-1098
- and lactation, cancer of breast during (Miller), 607
- late, toxemias of, hemodynamic studies on liver in (Hoshino), 835 (Abst.)
- leukemia in (Sinykin and Kaplan), 220
- lupus erythematosus in, further observations (Donaldson and de Alvarez), 1461
- microelectrophoretic slowing factors in (Rottino, Pisani, and Angers), 759
- multiple sclerosis and (Garvin and Montgomery), 689 (Clinical problems)
- nephritis in, healed acute and chronic (Kaplan, Smith, and Tillman), 1519
- and obesity, 1609-1621
 - (Sands), 1617
- ovarian tumors complicating (Chowdhury), 615
- periodontal status and (Ringsdorf et al.), 258
- physiology, 2-8; 281-299; 756-769; 1325-1351
- porphyria and (Petrie and Mooney), 264
- prolonged, parabasal cells in vaginal smear in (Zidovsky), 1395 (Abst.)
- puerperium and, megaloblastic anemia during (Pritchard), 1004
 - and menstrual cycle, enzymic histochemistry of normal ovaries of (Deane, Lobel, and Romney), 281
- radioactive triiodothyronine uptake by red cells in (McGoogan et al.), 1157
- rapid glucose tolerance test in (Silverstone, Solomons, and Rubricius), 1654 (Abst.)
- rupture of liver, spontaneous, during (Pavlic and Townsend), 1373
- simulated, following pseudocyesis (Posner, de Chabert, and Posner), 976 (Pertinent comments)
- subsequent, spontaneous abortion and, probability (Warburton and Fraser), 1654 (Abst.)
- successful, following hypophysectomy during twelfth week (Kaplan), 835 (Abst.)
- syphilis and, 1389-1392
- Takayasu disease (pulseless disease) in (Sicuranza, Maiorino, and Tisdall), 1516
- test for, 826-828
- testing, manual (Hon), 551 (B. rev.)
- thrombotic thrombocytopenic purpura in (O'Leary and Marchetti), 214
- thyroid antibodies during, and in newborn (Parker and Beierwaltes), 557 (Abst.)

Pregnancy—Cont'd

- toad test for (Arensburger), 826
- toxemia (*see* Toxemia of pregnancy)
- tumors complicating, 599-618
- twin, cesarean section in (Guttmacher and Kohl), 866
- management, 1377-1388
- urinary hormone studies in untreated congenital adrenal hyperplasia during and after (Louis et al.), 556 (Abst.)
- Pregnant diabetic patient, alveolar carbon dioxide pressure in (Nedelman and Sutherland), 198
- progress in knowledge and management (Peel), 847
- reproductive wastage in (Kennan), 515
- urinary estriol excretion (Taylor et al.), 194
- uterus in rabbits, placenta, uterine volume, control of (Csapo and Lloyd-Jacob), 1073
- women, syphilis in, aqueous benzathine penicillin G in treatment (Jackson et al.), 1389
- Premature birth and maternal prenatal anemia (Klein), 588
- delivery, 588-598
- labor, arrest (Bishop and Wouterse), 1653 (Abst.)
- Prematurity, prenatal care, and neonatal mortality (Shwartz), 591
- Premenopausal female, beta-lipoproteins in (Heiskell et al.), 279 (Abst.)
- Prenatal anemia, maternal, premature birth and (Klein), 588
- care, prematurity and neonatal mortality (Shwartz), 591
- Prevention of infection in labor, 1099-1111
- Primary carcinoma of Fallopian tube (Ross, Ward, and Lindsay), 425
- osteogenic sarcoma of uterus and adnexa, pathogenesis, review (Amromin and Gildenhorn), 1574
- Primigravidas, relaxin in (Ware and Haynes), 792
- Privileged communication (Parks), 841
- Progestin therapy for conservative treatment of endometriosis (Williams), 715
- Prolapse of cervical stump, repair, by polyethylene sling (Edwards, Box, and Wainer), 681
- of umbilical cord (Ghase and Dey), 1655 (Abst.)
- (McLavery and Scioscia), 241
- (Price), 235
- (Winch and Claman), 275 (Abst.)
- management (Campbell), 1447
- Proteins of human cervical mucus, immunoelectrophoretic studies (Moghissi and Neuhaus), 149
- Pseudoadrenogenital syndrome (Parks and Sites), 436
- Pseudocyesis, simulated pregnancy following (Posner, de Chabert, and Posner), 976 (Pertinent comments)
- Pseudohemophilia (von Willebrand's disease) in obstetrics and gynecology (Wendt and LaFond), 207
- Pseudohermaphroditism, male (Parks and Sites), 436
- endocrine studies in (Salassa et al.), 555 (Abst.)
- Pseudomucin, ovarian, histochemical observations (Wynn), 80
- Psychological tool for abolition of suffering in childbirth (Earn), 29
- Psychosomatic character of toxemia of pregnancy (Ringrose), 275 (Abst.)
- infertility (Rothman, Kaplan, and Nettles), 373
- medicine and maternity, first international congress, 1400 (Item)
- Psychotherapy for habitual aborters (Tupper and Weil), 421
- Puerperal atonic hemorrhages from uterus, combat with (Kvantaliani), 1656 (Abst.)
- cerebral venous thrombosis (Lorincz and Moore), 311
- hemiplegia (Biback, Franklin, and Sata), 45
- Puerperium, 37-61
- complications, 311-321
- delivery and, uterine contractility at (Hendricks, Eskes, and Saameli), 890
- menstrual cycle, pregnancy and, enzymic histochemistry of normal ovaries of (Deane, Lobel, and Romney), 281

Puerperium—Cont'd

- pregnancy and, megaloblastic anemia during (Pritchard), 1004
- Puerto Rico, field trial of contraceptive foam in (Paniagua, Vaillant, and Gamble), 833 (Abst.)
- Pulmonary embolism, hydatidiform mole and, death from (Lipp, Kindschi, and Schmitz), 1644
- Pulseless disease (Takayasu disease) in pregnancy (Sicuranza, Maiorino, and Tisdall), 1516
- Purpura, thrombotic thrombocytopenic, in pregnancy (O'Leary and Marchetti), 214

Q

- Quinones in electron transport (Wolstenholme and O'Connor), 1113 (B. rev.)

R

- Radiation necrosis of bladder following treatment of carcinoma of cervix (Mallik), 393
- Radioactive triiodothyronine uptake by red cells in pregnancy (McGoogan et al.), 1157
- Radioelectrocardiography, fetal (Kendall, Farrell, and Kane), 1629
- Rauwolfia drugs during anesthesia and surgery, problems caused by (Smessaert and Hicks), 1397 (Abst.)
- Reconstruction of urethra, repair of bladder neck fistula and (Roulston), 453
- Re-evaluation, 414, 1254
- Regional blood flow and vascular resistance of fetus in utero, action of vasoactive drugs on (Assali, Holm, and Sehgal), 809
- Relaxin in primigravidas, study (Ware and Haynes), 792
- Renal failure, acute, in obstetrics and gynecology, management (Tatum and Cuadros), 832 (Abst.)
- hyperkalemia in (Steinmetz and Kiley), 277 (Abst.)
- Repair of bladder neck fistula and reconstruction of urethra (Roulston), 453
- Reproduction, human (Rubin), 200
- physiology, Worcester Foundation for Experimental Biology training program in, 1400 (Item)
- Reserpine and reserpine compounds, operative complications after therapy with (Ziegler and Lovette), 279 (Abst.)
- Retention of salt and water, Hahnemann symposium on (Moyer and Fuchs), 551 (B. rev.)
- Rh-sensitized women, amniotic fluid studies in (Beecham et al.), 1053
- Roentgenologic study of stress incontinence (Calatroni, Poliak, and Kohan), 649
- Roster of American obstetrical and gynecological societies, 136
- Rupture of liver, spontaneous, in pregnancy (Pavlic and Townsend), 1373
- Ruptured membranes, aggressive management (Russell and Anderson), 930
- crystallization test for diagnosis (Kovacs), 1257 (Re-evaluation)

S

- Sarcoma, primary osteogenic, of uterus and adnexa, pathogenesis (Amromin and Gildenhorn), 1574
- Scleropolycystic (Stein-Leventhal) ovary with arrhenoblastoma of opposite gonad (Betson, Marshall, and Chiffelle), 93
- Seminal deficiency and diabetes mellitus, relation to human reproduction (Rubin), 200
- Sensory deprivation and fetal adaptation to uterine environment (Reynolds), 800
- Septic abortion with shock (Stevenson and Yang), 1229

- Serum proteins, glycoproteins, and phospholipids in surgical gynecologic patient, comparative study of behavior (Magalini et al.), 1319
- Sex chromosome complex XXXY in Klinefelter subjects with duplicated sex chromatin (Carr et al.), 555 (Abst.)
- constitution in newborn babies, abnormalities of (Maclean, Harnden, and Court Brown), 1117 (Abst.)
- Sexual function following treatment for carcinoma of cervix (Decker and Schwartzman), 401
- Shock, fatal postpartum, due to massive angioneurotic edema (Luke and Rubenstein), 322
- septic abortion with (Stevenson and Yang), 1229
- Shoulder dystocia, aftereffects (McCall), 1486
- Southwest, Indians of, carcinoma of cervix in (Bivens et al.), 1203
- Southwestern Medicine, prize for original scientific articles, 1120 (Item)
- Spigelian hernia in gynecology (Hibbard and Schumann), 1439
- Spontaneous abortion, probability, in subsequent pregnancies (Warburton and Fraser), 1654 (Abst.)
- problem of (Tupper and Weil), 421
- Stage I carcinoma of uterine corpus, treatment failures in (Nolan and Darden), 949
- Staphylococcus carriers among mothers, cultures to detect (Thierstein and Lee), 57
- Stedman's medical dictionary, 552 (B. rev.)
- Stein-Leventhal ovary with arrhenoblastoma of opposite gonad (Betson, Marshall, and Chiffelle), 93
- syndrome (Barry), 276 (Abst.)
- ovarian steroids in, defective biosynthesis (Short and London), 1652 (Abst.)
- Sterility, American Society for Study of, awards, 560 (Item)
- male, venereal disease and, handbook (Jadassohn), 553 (B. rev.)
- office management of infertile couple (Tyler), 1354 (B. rev.)
- Sterilization, postpartum, immediate (Black), 59
- Steroid excretion, influence of oophorectomy on, in early pregnancy (Diczfalusy and Borell), 835 (Abst.)
- ovarian, defective biosynthesis, in Stein-Leventhal syndrome (Short and London), 1652 (Abst.)
- in vitro effects, on female ureter (Kumar), 978 (Correspondence)
- Stress incontinence, 632-656
- diagnosis and treatment, development of plan for (Green), 632
- roentgenologic study (Calatroni, Poliak, and Kohan), 649
- Stromal endometriosis, uterine (stromatosis), (Hunter), 1564
- Succinylcholine, effect on uterus (Alver et al.), 795
- Surgery, anesthesia and, rauwolfia drugs during, problems caused by (Smessaert and Hicks), 1397 (Abst.)
- Christopher's textbook (Davis), 1393 (B. rev.)
- Surgical gynecologic patient, serum proteins, glycoproteins, and phospholipids in, comparative study of behavior (Magalini et al.), 1319
- injuries to ureter (Spence and Boone), 832 (Abst.)
- technique, 681-682
- treatment of genital and peritoneal tuberculosis (Knaus), 73
- Synechiae of endometrial cavity, 1595-1608
- intrauterine, traumatic (Topkins), 1599
- of uterine cavity after curettage (Sieglar), 1595
- Syphilis and pregnancy, 1389-1392
- in pregnant women, aqueous benzathine penicillin G in treatment (Jackson et al.), 1389
- Symposium on maternal mortality, 1498

T

- Takayasu's disease (pulseless disease) in pregnancy (Sicuranza, Maiorino, and Tisdall), 1516
- Teratomas and follicular cysts of ovary in children (Garfinkel and Rosenthal), 101
- Test for pregnancy, 826-828
- toad (Arensburger), 826
- Testes, influence of gonadotropins on, symposium, 700 (Item)
- Testicular feminization (Molinoff and Armstrong), 382
- Testing, pregnancy, manual (Hon), 551 (B. rev.)
- Theca cell tumor of ovary, bilateral (Hobson), 678
- Thrombocytopenic purpura, thrombotic, in pregnancy (O'Leary and Marchetti), 214
- Thrombosis, puerperal cerebral venous (Lorincz and Moore), 311
- Thrombotic thrombocytopenic purpura in pregnancy (O'Leary and Marchetti), 214
- Thyroid antibodies during pregnancy and in newborn (Parker and Beierwaltes), 557 (Abst.)
- Tidal drainage in postoperative bladder (Williams and Julian), 1313
- Toad test for pregnancy (Arensburger), 826
- Toxemia of pregnancy, 1352-1376
- late, amniotic fluid in, features peculiar to biochemical composition (Sozansky), 558 (Abst.)
- hemodynamic studies on liver in (Hoshino), 835 (Abst.)
- pre-eclamptic, hydrochlorothiazide in management (Krishna Menon), 1655 (Abst.)
- psychosomatic character (Ringrose), 275 (Abst.)
- severe, diuretic therapy in management, limitations (Brewer), 1352
- Tranquilizers, effects, on induced ovulation in mice (Purshottam), 1405
- Transactions of American Association of Obstetricians and Gynecologists, seventy-second annual meeting, 841, 981
- of Central Association of Obstetricians and Gynecologists, twenty-ninth annual meeting, 1121
- of Pacific Coast Obstetrical and Gynecological Society, twenty-eighth annual meeting, 1401
- of Society of Obstetricians and Gynaecologists of Canada, seventeenth annual meeting, 421
- Transaminase, glutamic oxalacetic, lactic dehydrogenase and, in pregnancy (Stone et al.), 1342
- Transverse lie (Posner, Tychowsky, and Posner), 225
- Trauma, accidental, complicating pregnancy and delivery (Dyer and Barclay), 907
- Traumatic intrauterine synechiae (Topkins), 1599
- Trial and failed forceps (Schroeder), 1491
- Trichomoniasis, vaginal, 1280-1293
- metronidazole in treatment (Jones, Thomas, and Parker), 498
- (Luthra and Boyd), 1288
- (McGill and Black), 1280
- (Schram and Kleinman), 1284
- Triiodothyronine, radioactive, uptake by red cells in pregnancy (McGoogan et al.), 1157
- 21-Trisomy/normal mosaicism in intelligent child with some Mongoloid characters (Clarke, Edwards, and Smallpiece), 836 (Abst.)
- Tropical diseases, obstetric and gynecologic aspects (Sarmu), 1655 (Abst.)

- Tuberculosis, genital, 73-79
and peritoneal, surgical treatment (Knaus), 73
- Tumors, Brenner, bilateral (Christian and Janovski), 105
hormonal activity, in postmenopausal women (Ming and Goldman), 666
variations (Woodruff and Acosta), 657
complicating pregnancy, 599-618
of female sex organs, ovary and Fallopian tube (Hertig and Gore), 1114 (B. rev.)
ovarian, 80-112; 657-680
complicating pregnancy (Chowdhury), 615
granulosa cell, and pregnancy (Brock), 109
theca cell, bilateral (Hobson), 678
of uterus, 1541-1581
vascular, benign or malignant (Zeigerman), 279 (Abst.)
- Tunnels, clefts and, involvement, in carcinoma in situ of cervix (Fluhmann), 1410
- Turner's syndrome (Parks and Sites), 436
dysgerminoma of ovary in (Dominguez and Greenblatt), 674
- Twin pregnancy, cesarean section in (Guttmacher and Kohl), 866
management, 1377-1388
second, fate and management (Spurway), 1377
- Twins, monoamniotic (Wensinger and Daly), 1254

U

- Umbilical cord, abnormal, with fatal arterial hemorrhage (Hogg and Friesen), 1251
prolapse (Campbell), 1447
(Ghase and Dey), 1655 (Abst.)
(MacLavery and Scioscia), 241
(Price), 235
(Winch and Clayman), 275 (Abst.)
- Ureter, female, effects, in vitro, of steroids on (Kumar), 978 (Correspondence)
surgical injuries to (Spence and Boone), 832 (Abst.)
vaginal hysterectomy ligatures and, measurement relationships between, methods of demonstrating (Hofmeister and Wolfgram), 938
- Ureteral dysfunction, pre- and postoperative (Gerbie, Flanagan, and Woodbury), 1138
injury discovered after pelvic surgery (Freda and Tacchi), 406
- Urethra, reconstruction of, and repair of bladder neck fistula (Roulston), 453
- Urinary estriol excretion in pregnant diabetic patient (Taylor et al.), 194
estrogens, vaginal smear and, effect of single injection of human pituitary follicle-stimulating hormone on, in amenorrhea (Johannisson, Genzell, and Diczfalussy), 835 (Abst.)
hormone studies in untreated congenital adrenal hyperplasia during and after pregnancy (Louis et al.), 556 (Abst.)
- Urology, gynecologic (Langreder and Schwalm), 1114 (B. rev.)
- Uterine bleeding, abnormal, subsequent to pelvic surgery (Baldwin and Manson), 1656 (Abst.)
cavity, synechiae, after curettage (Siegler), 1595
contractility at delivery and in puerperium (Hendricks, Eskes, and Saameli), 890
during labor studied by intra-amniotic fluid pressure recordings (Burnhill, Danezis, and Cohen), 561, 572
environment, fetal adaptation to, nature of (Reynolds), 800
leiomyosarcoma, metastatic, long survival with (Friedell), 1579
motility, effect of fear upon (Kelly), 576
muscle, effect of hypnotically induced anxiety on (Kelly), 582

Uterine—Cont'd

- phlebography (Hughes and Curtis), 156
physiology in pregnancy and labor, 1073-1098
stromal endometriosis (stromatosis) (Hunter), 1564
volume, placenta, control of pregnant uterus in rabbits and (Csapo and Lloyd-Jacob), 1073
- Uterus, adenomyosis of, elusive (Emge), 1541
and adnexa, primary osteogenic sarcoma, pathogenesis (Amromin and Gildenhorn), 1574
carcinoma, Wertheim hysterectomy and pelvic lymphadenectomy for (Alford, Betson, and Di Santi), 1306
defense mechanism at midpregnancy, oxytocin response, withdrawal, and reinforcement (Bengtsson and Csapo), 1083
effect of succinylcholine on (Alver et al.), 795
gravid, response at term to intranasal oxytocin as determined by intra-amniotic fluid pressure recordings (Cohen, Danezis, and Burnhill), 774
hemorrhages from, puerperal atonic, combat with (Kvantaliani), 1656 (Abst.)
leiomyosarcoma in situ (Pryzbora), 276 (Abst.)
normal, hysterectomy when (D'Esopo), 113
term, spontaneous perforations in, multiple (Fening), 250
tumors, 1541-1581
vascular, benign or malignant (Zeigerman), 279 (Abst.)

V

- Vacuum extraction in operative obstetrics (Zhmakin), 558 (Abst.)
extractor, Malmström's, 300-310
delivery by, annular detachment of cervix (Spritzer), 247
employment (Filimonov), 558 (Abst.)
preliminary experiences with (Guardino and O'Brien), 300
use, in obstetrics (Spritzer), 307
- Vaginal cornification in patients in mental hospital, observations on (Chu and Salmon), 165
cytology for diagnosis of genital bilharziasis (Youssef, Fayad, and Shafeek), 710
epithelium of estrogen-treated rats, cellular behavior in (Peckham and Kiehofer), 1021
examination during labor, use of hexachlorophene soap antisepsis for (Ostlund), 1099
hysterectomy ligatures and ureters, measurement relationships, methods of demonstrating (Hofmeister and Wolfgram), 938
smear in prolonged pregnancy, significance of parabasal cells in (Zidovsky), 1395 (Abst.)
urinary estrogens and, effect of single injection of human pituitary follicle-stimulating hormone on, in amenorrhea (Johannisson, Genzell, and Diczfalussy), 835 (Abst.)
trichomoniasis (see Trichomoniasis)
- Vaginitis, trichomonas, 1280-1293 (see also Trichomoniasis)
- Vascular effects of estrogens, 1261-1279
lesions of placenta of possible immunogenic origin in erythroblastosis fetalis (Burstein and Blumenthal), 1062
reactivity, inheritance, essential hypertension and (Doyle and Fraser), 1396 (Abst.)
resistance of fetus in utero, regional blood flow and, action of vasoactive drugs (Assali, Holm, and Sehgal), 809
tumors of uterus, benign or malignant (Zeigerman), 279 (Abst.)
- Vasoactive drugs, action on regional blood flow and vascular resistance of fetus in utero (Assali, Holm, and Sehgal), 809
- Vasopressin, inactivation, during pregnancy (Roth and Slater), 1325

Venereal disease and male sterility, handbook (Jadassohn), 553 (B. rev.)
Vesicovaginal fistula (Moir), 829 (B. rev.)
Virilized women, 17-ketosteroid excretion, effects of oral administration of estrogens on (Mellinger and Smith), 834 (Abst.)
Viruses, oncolytic, potentiation of effect of (Holzaepfel), 1127
Visualization of distal femoral epiphyses as measure of maturity, reliability (Schreiber et al.), 1249
von Willebrand's disease (pseudohemophilia) in obstetrics and gynecology (Wendt and LaFond), 207
Vulva, basal cell carcinoma (Solomons), 832 (Abst.)

W

Weight reduction in obese pregnant women, effect on pregnancy, labor, delivery, and condition of infant at birth (Jacobson et al.), 1609
Wertheim hysterectomy and pelvic lymphadenectomy for carcinoma of uterine corpus (Alford, Betson, and Di Santi), 1306
World Congress on Infertility, fourth, 280 (Item)

Y

Y chromosome, human, unusually long (Bender and Gooch), 1118 (Abst.)
